DIARY DATES

MESSAGE FROM THE PRINCIPAL

A warm welcome back to all our families for the 2023 school year. I hope you enjoyed a wonderful summer holiday with your family and friends and you have had time to rest, refresh and are now ready to start a new school year.

Greetings to all our new reception students, who started school for the first time this week and the Year 1-6 students who have transferred to our school. It is brilliant to see the Stradbroke School family continue to grow.

Our committed teaching staff have worked hard to prepare classrooms and learning programs for their students. They are excited and looking forward to working with the students and meeting families. In Week 2, during Acquaintance Night (Wednesday 8 February), teachers will have the opportunity to share programming overviews, class routines and communication channels with parents.

The dedicated school administration and curriculum SSOs have worked rigorously to ensure school operations and intervention programs and support are in place for our students.

2023 is going to be an exciting year of learning for all our students. We are going to encourage and support all our students to try to stretch themselves and learn new things. We will encourage our students to be inquirers and risk takers. We want them to continue to grow a positive mindset. It is a powerful tool and so important in promoting mental health and well-being. If we support our children to have a positive approach to learning, to be resilient and give new things a go they will flourish.

Tanya Scanlan
Principal

It's wonderful to have all our students and their families back on site for the 2023 school

STRADBROKE SCHOOL – COMMUNITY POLICY

At Stradbroke School we are committed to open, honest and timely communication. We encourage communication between all members of our school community to be respectful and constructive. In adhering to these principles we aim to strengthen the goodwill and the positive partnership between parents/carers and the school, to enhance the wellbeing and learning opportunities for our students. The Stradbroke School communication policy can be found on our school website. <http://www.stradsch.sa.edu.au/policies/>

In an era where communication modes abound, imagine all the situations in the life of a child that could necessitate communicating with the teacher. An email to inform the teacher of the details of the new shared custody arrangements. A face-to-face meeting, to make sure that the teacher is familiar with the EpiPen for your child who has a severe allergy. A phone call to inform the teacher that Fluffy has suddenly passed away... A note, your child forgot their lunch. Multiply that by at least 25-30 students. The school year is just beginning and already one can anticipate a surplus of communications. Encourage your child to be engaged in the communication process between school and home. Here are some simple guidelines to support our communication policy.

1. Follow the school's communication guidelines. Student mobile phones are to be handed in to the teacher at the beginning of the school day for safe keeping. Students are not allowed to use mobile phones during the day. If there is an emergency first contact **must** be the Front Office. This allows the school time to provide adult support for the child and the family.
2. Support the teacher's preferred modes of communication. Each teacher will let you know how the communication system works in their classroom.
3. Respond and reply to communications on time.
4. Remember that your child's teacher is a professional, and that their time, like yours, is valuable.
 - Be respectful, use their name, and keep communication clear and concise.
 - Emails should be short and concise. If it takes more than a few lines to explain your concern it is an indication that a face-to face meeting or phone call may be best.
5. Teach your child to respect their teacher's personal boundaries and to use their network, to find answers to basic questions, i.e. when she/he has forgotten their homework, she/he can first go to their classmates.
6. Wait 24 hours when you are feeling upset before you write an email. Pay attention to your tone, be patient and use respectful language.
7. Don't automatically copy the Principal on all your emails. Remember the school grievance policy states you begin your conversations with the classroom teacher first.
8. Participate in parent-teacher meetings and school activities. It is for you, and your child, that they are organized.
9. Communicate to your children that school is important.
10. Communication Timeline:
 - Communications will occur on work days, between 8am-5pm.
 - In general Staff will aim to reply to parent emails within 2 working days. Exceptions to this understanding may be the urgency of the message or if a Staff member works part-time or is absent.

TERRIFIC KIDS – TERM 4 2022

At the end of last year the winners of the Term 4 Kiwanis Terrific Kids Award were chosen and then announced at the end of year assembly. It was wonderful to be able to welcome Geoff Sibley and Chris Ward from the Kiwanis to be able to present the awards in person to the recipients.

Kiwanis "Terrific Kids" are Terrific, Enthusiastic, Respectful, Responsible, Influential, Friendly, Impeccable and Caring. Each Year 6 classroom teacher nominate a boy and a girl for the awards; winners are then chosen by a student cohort vote.

These qualities align closely with the characteristics and attitudes of the International Baccalaureate Learner Profile attributes. The characteristics we aspire our IB students to display are those of a person who is an inquirer, knowledgeable, courageous, a thinker, a communicator, open minded, balanced, principled, reflective and caring.

The attitudes supporting these characteristics are appreciation, commitment, confidence, cooperation, curiosity, creativity, empathy, enthusiasm, independence, integrity, respect and tolerance.

Congratulations to our Year 6 recipients, Dania J (who was absent on the day) and Chamith S. They are outstanding ambassadors for our school and they approach all aspects of school life in a balanced, considerate and enthusiastic manner.

The Principal's decision is final in determining who is eligible to work as a Volunteer at the school.

LIBRARY

We would like to welcome you, or welcome you back, to our library in 2023.

“Books are a uniquely portable magic.” (Stephen King)
Stradbroke library staff believe books are one of the best mobile devices you can put in the hands of your kids. They are portable, develop imagination or provide great information, and help to foster a love of reading.

One of our jobs is to help teachers put the right book into the right hands!

Sometimes as they learn which is the right book for them they will make mistakes with their choices – sometimes books will come home that make you wonder what on earth made them choose it, or why we let them borrow it. Students independent borrowing from our library ultimately is about their choice to suit their needs at that moment in time. We certainly will guide them and challenge their choices as we notice patterns in their borrowing habits.

Our teaching staff remain the same as last year with Emma Green and Tali de Lacy but Christina Sapio our Library Technician and co-educator has taken up a position in another school for the year. She certainly will be missed but we wish her well and hope to see her back next year.

We have slightly different days and roles across the week but share the same goal of ensuring our library is a place that our kids want to be, and choose to come to, to help them learn, help them connect and help them discover.

Some of the ‘need to knows’ to start the year are:

- all classes are given the opportunity to borrow every week.
- students can also borrow outside of these times at lunchtime (years 3-7 only), before school and after school.
- there are different borrowing limits for different year levels
- all Rec – Yr 2 students need to have a library bag to be able to borrow (they are given one when they first start at Stradbroke, replacements if lost or damaged are the family's responsibility)
- if your child still has overdue books from the previous year they will be on restricted borrowing until the issue is resolved (returning or paying for book)
