## ABORIGINAL GARDEN – STAGE 2

Exciting news!

You may have seen that stage 2 of the Aboriginal Garden has commenced.

Last year, students from the Aboriginal Garden Action Team designed stage 2 and John, Laurie and their team from Eco Construction and Project Management have made those designs come to life!

The Stage 2 space will provide students and the school community with a great place to play, take risks, have lessons and hang out! Check it out when you can.

We hope to have it finished in a couple weeks.

## NAIDOC WEEK

NAIDOC week is held annually across Australia in the first week of July and will be running from **Sunday 2 to Sunday 9 July in 2023.**

Born from Aboriginal activism in the 1920 and 30s, NAIDOC week is an Indigenous-led celebration from history, cultures and achievements of Aboriginal and Torres Strait Islander people.

Students at Stradbroke School will be talking about respecting and acknowledging different cultures and ways to prevent racism.

Now is the time to make a difference in valuing our first nation's people.

## HOLIDAY BOOK BORROWING

Students at Stradbroke are encouraged to take library books home across our mid-year school holidays.

All books borrowed across the holidays will be due back at the beginning of term 3.

If students are working towards their Premier's Reading Challenge (especially students who read longer novels), it is the perfect time to tick off a few books and enjoy some winter reading.

If students need any help choosing a holiday read, please come and see a library staff member.

## PUBLIC LIBRARIES

With school holidays just around the corner, now is the perfect time to take a look at what your local public library has on offer to keep the kids entertained.

Most libraries offer school holiday workshops for free or at a small cost, but due to popularity they often book out quickly.

Campbelltown Public Library is running events for primary aged students including magic, STEM, Bollywood dance, cardboard craft, string art, crafts and the Planetarium Star Lab.

Tickets for these events can be purchased and booked through their website: <https://www.campbelltown.sa.gov.au/library/library-events-and-programs/schoolholidays>

If you aren't lucky enough to get a ticket to a pre-planned event, still consider visiting a library these holidays.

Libraries are the perfect space to browse the shelves on a chilly afternoon.

## MORIALTA STUDENT LEADERS WEC Data and Networking

On Thursday 22 June the Student Leaders from Stradbroke School met up at Norwood International High School with students from our partnership – Magill School, Vale Park School, Trinity Gardens School.

We met up to discuss and analyse last year's WEC (Wellbeing Engagement Collection survey) data and create a presentation about what

our school has been doing to improve the wellbeing of Stradbroke Students.

We shared that even though Wellbeing has been something we've always focussed on at Stradbroke School, there is now a goal about improving student engagement on the Site Improvement Plan this year.

We discussed why the data may have changed – Covid, not being at school at the start of last year for KidsMatter week and lots of absences and the year 7s going to high school. We shared our student voice model at Stradbroke which is the Action teams.

The Playtimes activities Action Team run lunchtime activities like Giant Connect 4, Checkers and Dominos for those who may find it hard to find someone to play with. We also shared the school events that have been bringing the Stradbroke School community back together, such as the Family BBQ, upcoming school DISCO, Harmony Day and Whole School Assemblies. We had a delicious recess provided by Norwood International High School.

We did a really exciting 'Goosechase' which involved 'Minute to Win It' activities and us running all over the High School doing tasks.

It was great experience for all the student leaders and we can't wait to meet up again next term to discuss this year's WEC data and make a plan!

## DRIVING THE POWER OF PEOPLE – L8

In our current Unit of Inquiry, "People Power," our students have been diving deep into the world of Civics and Citizenship. They have been exploring the central idea that individuals have the ability to support others, make a difference, and positively impact the environment.

To put their knowledge into action, Students of L8 have come together to plan a Food Drive aimed at addressing the issue of world hunger. By collecting non-perishable food items, they are determined to make a meaningful contribution to supporting those in need. The donations will be given to the ADRA Community Pantry in Trinity Gardens.

To spread awareness and encourage participation across the Stradbroke Community, our creative students are currently in the process of planning and designing eye-catching posters. These posters will be displayed throughout the school, inspiring everyone to get involved in this important campaign.

Be sure to keep an eye out for our posters around the school in the coming weeks!

## CASUAL DAY – Friday 7 July

# CATHERINE HOUSE

This term, we will be raising money to support Catherine House.

Catherine House is a homeless shelter for women.

It provides support, accommodation and crisis care services. Catherine House supports women's mental health, which is a part of their homelessness and living situation.

For Casual Day on the last day of this term, Friday 7 July, we invite students and staff to wear comfy clothes or pyjamas and also remember to bring a gold coin donation towards the support for Catherine House.

Thank you in advance for your support.

The Arctic wolves started super strong with a couple of goals shot in the first 5 minutes of the game. They continued to play strong with great attack, defence and accurate goal shooting all the way through. A special shout out to Imogen, Caelan and Annabelle for showing great sportsmanship by filling in for the opposition during the game due to the fact they were down a couple of players.  
What a fantastic game.

It was a very tough game this week with the rain setting in from the second quarter. The girls did a great job getting a lead early in the game. Eliza was outstanding in defence, and Leah and Reet moved well through the mid court. Scores were even at three quarter time which made for an exciting last quarter and we walked away with a draw.

**Game Played:** Saturday 24 June

Another strong game this week, with the Tigers getting off to a great start, taking control of the game early. Kalyna, Eliza and Reet were all strong defensively which made for an exciting game full of intercepts, turn overs and lots of goal opportunities. Great work Tigers!

**Game Played:** Saturday 17 June

What a win, what a game! Captained by Austin, the team came together and never gave up. Positions were played well; the game was exciting to watch and the motivation and effort from the entire team was inspiring. A hat trick was achieved by Austin, with Alex and Elton contributing to the score board as well. The win was created because the entire team supported one another, including Frank in goals. Congratulations Stradbroke!
